

# Home Garden Seed Association

how nature grows

**P.O. Box 93, Maxwell, CA 95955  
11th Annual HGSA Summer Conference & Trials**

## **COME JOIN US!**

Your mailing should include the **Meeting Itinerary** and the **Registration Form**.

Please return the registration form(s) with payment by **July 31, 2018** to insure early registration savings. The registration form also tells you how to pay with PayPal. Registration after Aug. 1st is subject to the higher fee.

Registration includes all meeting activities, meals and transportation. If you are interested in the meeting sponsorship opportunities please contact the local planning committee..

**Flying to Sacramento, CA:** Sacramento is a major domestic & international airport. Airport code is: **SMF**  
**Transportation to/from the conference Hotel**

Our convention hotel is located in Williams, CA about 45 minutes from the Sacramento airport. You may wish to rent a car to get to/from the conference from the airport; but keep in mind we have a bus for the conference and discussion sessions are planned during conference bus trips. There will probably be opportunities carpooling to our conference hotel.

**Our Conference Hotel** Granzalla's Inn, 391 6<sup>th</sup> Street Williams, CA 95987 Telephone 1-530-473-3310

Rooms can be booked easiest by calling the hotel directly; **be sure to** mention the HGSA special room rate of **\$116.10 to \$126.10 per night**. Please book your room at the hotel before **August 1, 2018**. After this date, rooms will only be available based on hotel availability. This is a small family owned hotel with only 43 rooms; once the conference hotel is full, there will be an alternative choice for lodging. Please contact Patty if you are unable to make reservations at Granzalla's.

## **Late Summer Weather in the Northern California**

Like most of the Sacramento valley, Summers are very warm and dry with a late summer average high temperature of 95 to 99 degrees. Evenings will also be warm cooling down to the mid to lower 70's. Be sure to bring a hat and sunscreen, cool clothing and comfortable shoes for walking. The HGSA Board hopes you will stay over and enjoy the open weekend after the conference to explore this really beautiful part of our country.

Please note that when we tour on Friday, the Haagen Dazs Bee Haven requires closed toed shoes. If you have any further questions, comments, suggestions or additional needs, please do feel free to contact any of us. We look forward to seeing you in September. Our schedule of events will provide something for everyone!

Best Regards,

**HGSA Local Planning Committee**, John Marchese, Chris Faull, Patty Buskirk, Jeannine Bogard
